Dear Dr. Weiss:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your calculations for Administrative/Voter Drive EVENT YEAR-TO-DATE totals are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year within the category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct Administrative/Voter Drive EVENT YEAR-TO-DATE totals.

-Schedule H1 indicates that the federal allocation for administrative and generic voter drive costs is 33%. However, Commission calculations for the disbursements listed on Schedule H4 disclose the federal share to be 22%. Furthermore, Schedule H3 discloses a non-federal transfer(s) received based on the latter ratio. Please clarify this discrepancy and transfer the excessive non-federal amount back to the non-federal account, if appropriate.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal

Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
